Correction

In the article by Iribarren et al, “Clinical Utility of Multi-marker Genetic Risk Scores for Prediction of Incident Coronary Heart Disease: A Cohort Study among over 51 Thousand Individuals of European Ancestry,” which appeared in the December 2016 issue of the journal (Circulation: Cardiovascular Genetics. 2016;9:531–540), there was a style error in the title. “51 Thousand” should have been changed to “51 000.”

The correction has been made online. The publisher regrets the error.
