In the article by Folkersen et al, “Association of Genetic Risk Variants With Expression of Proximal Genes Identifies Novel Susceptibility Genes for Cardiovascular Disease,” which appeared in the August issue of the journal (Circulation: Cardiovascular Genetics. 2010;3:365–373), there was an error in the author byline. In the published manuscript, the surname of Gabrielle Paulsson-Berne was misspelled as “Gabrielle Paulssson-Berne,” with an extra “s.”

The correction has been made to the online version of the article. The authors regret the error.
